

GBOOST LIMITED BELT WARRANTY

Our Gboost Limited Belt Warranty covers any defects in material or workmanship under normal use during the warranty period. The warranty period for belts, proven defective because of improper material or workmanship, purchased from Gboost or an authorized dealer is one year from the date of purchase. A replacement belt assumes the remaining warranty from the original purchase date. This is a part only warranty and Gboost will not cover any labor involved in repairing or replacing. This limited warranty does not cover any problem that is caused by conditions, malfunctions or damage not resulting from defects in material or workmanship.

Gboost is not obligated to provide any warranty, technical or service support for products not purchased directly from Gboost or from an authorized Gboost distributor.

Purchaser's exclusive remedy for any breach of this limited warranty is for the replacement of the belt which is proven to be non-conforming or defective, or refund of the purchase price at Seller's discretion. In no event shall Seller be liable for any other costs or damages, such as indirect, incidental, punitive, special or consequential damages, or lost profits, lost revenue or recall costs.

To make a claim under the terms of this Limited Warranty, Purchaser must notify Seller in writing within thirty days of period after discovery of the claimed defect and shall furnish substantiating documentation. Purchaser will return the product to afford Gboost the opportunity to inspect and analyze the product at purchaser's cost. Once we receive the belt and confirm that the belt is a defect in material and/or workmanship we will provide a replacement belt with a \$25 handling fee. Or the customer can pay for a replacement belt and we will refund the cost of the part minus the \$25 handling fee after we receive and analyze the defective belt.
